Redondo Mayor Visits Torrance

Presents Plans of Municipal
Bus Line for Service
to Los Angeles

For the first time Tuesday night, Oct. 23, the city council received a report from the principal officer of another municipality.

Mrs. Mae B. Hopkins, mayor of Redondo Beach, appeared before the Torrance council to present plans of her city for the operation of Redondo's municipal bus line which will soon be in operation.

Although no meeting was held, due to the absence of a quorum, the mayor and councilman present, with other city officials listened with interest to Mrs. Hopkins' explanation of Redondo's request, which will be formally presented at the next regular meeting of the council.

The Redondo municipal bus line will pass through Torrance enroute to Los Angeles and to the harbor district, giving service at a very nominal rate, which with the current schedules will be given out later.

According to Mrs. Hopkins it is planned to run busses day and night, on a 24-hour schedule, with frequent service during the day, less frequent during the hours between midnight and early morning.

The city officials of Redondo plan to ask permission of Torrance to make stops here for the purpose of taking on and discharging passengers, and their request will be presented by their city attorney with complete explanations next Tuesday evening.

Dedication of New Parish Hall Is Impressive

Visiting Pastors and Large
Congregation Take Part
in Ceremony

The dedication of the Lutheran Parish hall on Sonoma and Acacia streets, which was held last Sunday at 3:00 p. m., was in every way a most impressive success. Every seat of the hall was filled with eager worshippers, over 300 people from far and near crowded the small building.

Rev. J. Daermann of Long Beach and Rev. W. Holmberg of Los Angeles assisted the local pastor, Rev. G. H. Schuster in the impressive dedicatory service. Rev. J. Daermann and Rev. A. E. Pihney of Columbus, Ohio, delivered impressive messages to an attentive audience. The presiding pastor presided from the pulpit of the district, Rev. G. H. Pausch of Santa Ana and from Rev. W. Lemay, the senior pastor of the church of San Diego, who were both prevented from attending the dedication on account of other pressing engagements.

The following pastors, besides those mentioned above, were present and attended the personal dedications as well as those of their respective congregations: The Rev. G. A. Fisher of Anaheim, Rev. R. Leusser of Compton, Rev. J. E. Peter of Los Angeles, Rev. W. W. Mecca of Pasadena, Rev. A. C. Schultz of Pomona and Rev. E. E. Fritzler of Los Angeles.

Mrs. J. Baritz assisted with the solo, "Spirit of God," by Neidinger. Mrs. Baritz and Mrs. West sang the duet, "In the Silence of His Presence," by Woodcock, and Charles Baritz, the well known Lutheran chorist, dedicated with "The Earth is the Lord's" by Lyles, while Mrs. E. A. Schwartz presided at the piano.

Hawthorne Blvd. Open to Travel

The link of Hawthorne boulevard between Torrance-Redondo boulevard and Camino Real has been completed and will be opened for travel this week, stated City Engineer Leonard yesterday.

This road is paved, and is but a mile long, but it connects Hawthorne and Palos Verdes without the several miles of detour that it has always been necessary to make.

Heretofore the road extended from Inglewood, Hawthorne, etc., to Torrance-Redondo boulevard, and from Camino Real to WALTERIA. The opening of it all the way through will expedite traffic a great deal as well as induce development in that district.

PROMISES MAY BE ATTRACTIVE, BUT--- They Don't Buy Shoes For The Baby!

It's just too bad that we can't follow our inclinations sometimes, and go over the hill looking for greener pastures. It's remarkable how alluring and plausible the Democratic theory can be made to seem. But following those theories has led the United States into periods of depression that not everyone has forgotten. It's true that each generation as it comes must learn its own lesson. But the Republican party has never shirked its plain duty to the people, and it will never allow this great country to be plunged into hard times if it can prevail upon the people to listen to reason and to the lessons of history.

WHEN THE DEMOCRATIC PARTY HAS WRITTEN THE TARIFF BILL THE COUNTRY HAS GONE INTO BUSINESS DEPRESSION. WHEN THE REPUBLICAN PARTY HAS WRITTEN THE TARIFF BILL THE COUNTRY HAS EMERGED FROM BUSINESS DEPRESSION AND PROSPERITY HAS BEEN RE-ESTABLISHED.

THAT'S JUST A PLAIN FACT

If the happiness of the American home means anything to the average American, he will vote the entire Republican ticket from top to bottom on the sixth of November.
